

From *razor* to laser...

\$2.50 per razor blade

If you use one razor per week you will spend:

\$130 a year
\$650 over 5 years
\$2600 over 20 years
\$5200 over 40 years

If you use two razors per week you will spend:

\$260 a year
\$1300 over 5 years
\$5200 over 20 years
\$10,400 over 40 years

Waxing...

Why deal with outgrowth- shave as much as desire between your laser treatments!

Bikini only- \$60 average cost

If you wax every 5-6 weeks you will spend:

\$600 per year
\$1200 over 2 years (THE SAME COST TO GET LASERED)
\$3,000 over 5 years
\$12,000 over 20 years
\$24,000 over 40 years

What about your time?

Over a lifetime you will spend over 5 years of your life shaving!

6 months from now you could NEVER shave your legs, bikini or underarms again by simply coming in for 2.5 hours once a month for the next 6 months.

You're only 15 hours away from a hairless body!!
